

LAST MINUTE

As a consequence of the **Covid-19 pandemic**, and with the continuous outbreaks that are taking place throughout the country, the GRAN HOTEL BALI and the Organization of the **XIX INTERNATIONAL CHESS FESTIVAL "GRAN HOTEL BALI DE Benidorm"** according to the pertinent recommendations, have been forced to **DEFINITELY SUSPEND** the Grand International Chess Tournament that was scheduled from December 5 to 13, 2020.

We trust that the serious problem of the PANDEMIC can be solved and that we can count on the presence of all the fans who are interested in attending next year 2021, on the planned **dates of December 3 to 12.**

A cordial greeting to all.

Alfonso Pedraza

Director / Organizer of the Great Chess Festival
